### Repair/Service Pricing

*All instruments sent to American Safety & Supply, Inc. will be subject to Calibrate & Evaluate fee.*

1. Calibrate & evaluate gas detector \$ 50.00  
*This service includes a full calibration with written report, and evaluation of problem.*
2. Sensor/Lamp/Battery/Parts replacement \$ 50.00  
*This price does **not** include the cost of the Parts(s). A calibration and report is included.*
3. Instrument loaner \$ 25.00/Day      \$ 100.00/Week  
*This service is offered when an instrument is either with us or the manufacturer for service.*
4. Re-Training TBD  
*We offer **free** initial training on all equipment that we sell. Additional training sessions may be billed by the hour not by the number of students.*

American Safety & Supply is committed to making your gas detection program a success. Total Cost of Ownership Programs (TCOP) are available for all instruments purchased. These programs cover the cost of all repairs, excluding misuse, for a term of 3 or 4 years. Please let us know if you would like pricing.
